

To Whom It May Concern:

**Casper Swart Electrical Solutions** has been providing electrical reticulation services to **GEA Africa** on our **Ammonia Refrigeration** projects since 2011. **CSES** is a professionally run company with a diligent work ethic and offers efficient services to our company. They have a positive approach to their work and are always on hand to assist us when required.

They have met and exceeded their contract requirements for the following project:

**Project:** Pick-n-Pay, Philippi, Cape Town

**Project description:** Electrical reticulation for Ammonia refrigeration plant

**Project value:** R 1.8mil

**Date of completion:** February 2016

It is clear and evident that **Casper Swart Electrical Solutions** takes pride, ownership and responsibility in their installations. Further, they have proven that they can meet any construction challenge and achieve a successful outcome through a methodical approach and philosophy that demands success.

Yours Sincerely,

Moeshfieq Williams

GEA Africa (PTY) Ltd.
